**Lafayette Hill, PA, and Tinton Falls, NJ, August 2, 2021** – McCarthy & Company, PC, is pleased to announce that *Accounting Today* recently named the firm one of the *2021 Best Accounting Firms to Work For*. *Accounting Today* partnered with Best Companies Group to identify companies that have excelled in creating quality workplaces for employees. This is the third year that McCarthy & Company was included on this prestigious list of 100 firms. “The firms on this list represent the best workplaces in the accounting profession,” said Accounting Today Editor-in-Chief Daniel Hood. “They are outstanding places to build a career.”

“We are thrilled to be recognized once again as a great place to work,” says Martin C. McCarthy, CPA, CCIFP, and the firm’s managing partner. “We value our team members and know that they are the ones that make McCarthy & Company a great firm.”

This awards program is designed to identify, recognize, and honor the best employers in the accounting profession. “It is important for our employees to grow both professionally and personally. Our culture is based on respect, honesty, inclusion, openness, collaboration, and empowerment,” explains McCarthy.

Firms from across the United States entered the two-part survey process to determine *Accounting Today’s Best Accounting Firms to Work For*. The first part consisted of evaluating each nominated company’s workplace policies, practices, philosophy, systems, and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top firms and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final ranking.
